

Nov. 12th - Tecogen Road Show 2013 Midwest Tour Stopping at Gas Technology Institute (Des Plaines, IL)

DES PLAINES (Illinois), November 12, 2013 - Visit the Tecogen Exhibition Trailer between 9:00AM and 5:00 PM CT at the Gas Technology Institute (GTI) in Des Plaines, IL to tour and see a real InVerde inverter-based CHP module and STx water-cooled chiller. Tecogen factory people will be on hand to tell you all about these and about their Ilios high efficiency water heater. The event will be hosted by GTI and Coffman Electrical Equipment Co. For more information visit the Tecogen [website](#). To RSVP for a guided tour time RSVP Greg Mulder at gmulder@steadypower.com.
